

Invitation to the TSIS 2010 Press Conference

**8th World Congress on Trauma, Shock, Inflammation and Sepsis - TSIS 2010 -
March 09th – 13th, 2010, Munich, Germany (www.TSIS2010.org)**

Dear Ladies and Gentlemen,

the **8th World Congress on Trauma, Shock, Inflammation and Sepsis - TSIS 2010** - represents a worldwide unique medical conference – highlighting the newest knowledge, developments, and innovative concepts for monitoring, recognition, and patient care within the complex entity of acute and chronic inflammatory diseases.

Around 2000 congress delegates from 50 countries are expected to attend the Congress and the presentation of around 800 scientific oral and poster contributions in 90 conferences and symposia.

In conjunction with **TSIS 2010** the 23rd **SIS-Europe Congress on Surgical Infections** as well as the **2nd Interdisciplinary Summit on Inflammation** will also be held in Munich.

TSIS-Program highlights are a.o.:

- New treatment options and prevention paradigms in sepsis and multiorgan failure
- Pediatric sepsis and multiple organ failure
- Application of multiple tools of regenerative medicine and stem cell biotechnology in critically ill and injured patients
- Vaccine strategies for immunocompromised patients
- Treatment of patients with morbid obesity
- Surgical treatment for diabetes mellitus type 2
- Crossroads of inflammation and cancer
- Surviving sepsis campaign
- New antibiotics

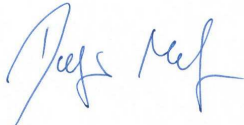

We would like to inform you about these and other exciting topics on a

Press Conference
on Tuesday, March 9th, 2010, at 11:00 am
Campus Grosshadern, Department of Surgery
Marchioninistraße 15, 81377 Munich
