

Friday March 12 th , 2010	Lecture Hall VII 08:15 am - 10:30 am	Session 65 Symposium	
---	---	-------------------------	---

Pattern Recognition Receptors: Major Contributors to the Inflammatory Response - Part A

Moderators: Timothy R. Billiar, Pittsburgh, USA
Tom van der Poll, Amsterdam, Netherlands

08:15 - 08:35	SY 520	Role of Toll-Like Receptors in Driving the Systemic Inflammatory Response after Injury Timothy R. Billiar, Pittsburgh, USA
08:35 - 08:55	SY 521	Targeting HMGB-1 in Inflammation Kevin J. Tracey, Manhasset, USA
08:55 - 09:15	SY 522	Essential Role for TLR4 and HMGB1 in the I/R Response Allan Tsung, Pittsburgh, USA
09:15 - 09:35	SY 523	The Role of TLRs during Early and Late Stage Bacterial Sepsis Tom van der Poll, Amsterdam, Netherlands
09:35 - 09:55	SY 524	The Interplay between Pattern Recognition Receptors Determines the Inflammatory Response to Sepsis Hermann Wagner, Munich, Germany
09:55 - 10:15	SY 525	Role of TLR3-RNA Interactions in the Inflammatory Response to Sepsis Steven L. Kunkel, Ann Arbor, USA

Supported with an Unrestricted Educational Grant of EISAI INC.

Friday March 12 th , 2010	Lecture Hall VII 10:45 am - 01:00 pm	Session 66 Symposium	
---	---	-------------------------	---

Pattern Recognition Receptors: Major Contributors to the Inflammatory Response - Part B

Moderators: Timothy R. Billiar, Pittsburgh, USA
Douglas T. Golenbock, Worcester, USA

- 10:45 - 11:05 **SY 526** The Molecular Requirements for TLR4/MD-2 Activation
Douglas T. Golenbock, Worcester, USA
- 11:05 - 11:25 **SY 527** The Endothelium and Platelets: Major Contributors to Host Response (A 288)
Paul Kubes, Calgary, Canada
- 11:25 - 11:45 **SY 528** TLR and RIG-I-Like Helicase Activation: Impact on Regulatory T-Cells (A 289)
David Anz, Munich, Germany
- 11:45 - 12:05 **SY 529** The Role of Toll-Like Receptors in the Inflammatory Response to Necrosis in the GI Tract
Wajahat Z. Mehal, New Haven, USA
- 12:05 - 12:25 **SY 530** The Interaction between Pattern Recognition Receptors in Regulating the Inflammatory Response in the Intestinal Mucosa
David J. Hackam, Pittsburgh, USA
- 12:25 - 12:45 **SY 531** TLR4 in Acute Lung Injury (A 407)
Rena Feinman, Newark, USA

*Supported with an Unrestricted Educational Grant of
EISAI INC.*
