

Wednesday March 10 th , 2010	Lecture Hall VI 01:30 pm - 04:00 pm	Session 10 Symposium	
---	---	---------------------------------------	---

The Sterile Inflammatory Response

Moderators: Gabriel Nuñez, Ann Arbor, USA
Kenneth L. Rock, Worcester, USA

- 01:30 - 01:50 **SY 81** Self and Non-Self Recognition through C-type Lectin Mincle (A 410)
Sho Yamasaki, Fukuoka, Japan
- 01:50 - 02:10 **SY 82** HMGB1 & Company: A Complex Pattern of Interacting Molecules and Receptor-Mediated Signalling Helps Distinguish Enemy and Collateral Damage
Marco E. Bianchi, Milan, Italy
- 02:10 - 02:30 **SY 83** Sterile Inflammation in the GI Tract
Wajahat Z. Mehal, New Haven, USA
- 02:30 - 02:50 **SY 84** Role of Nod-Like Receptors in Microbial and Sterile Inflammation
Gabriel Nuñez, Ann Arbor, USA
- 02:50 - 03:10 **SY 85** The Inflammatory Response to Sterile Cell Death
Kenneth L. Rock, Worcester, USA
- 03:10 - 03:30 **SY 86** Directing Responses after Death: The Unexpected Link to TH17 Cell Development (A 68)
Julie Magarian Blander, New York, USA
